

UNDERGROUND LAB GUIDE

1

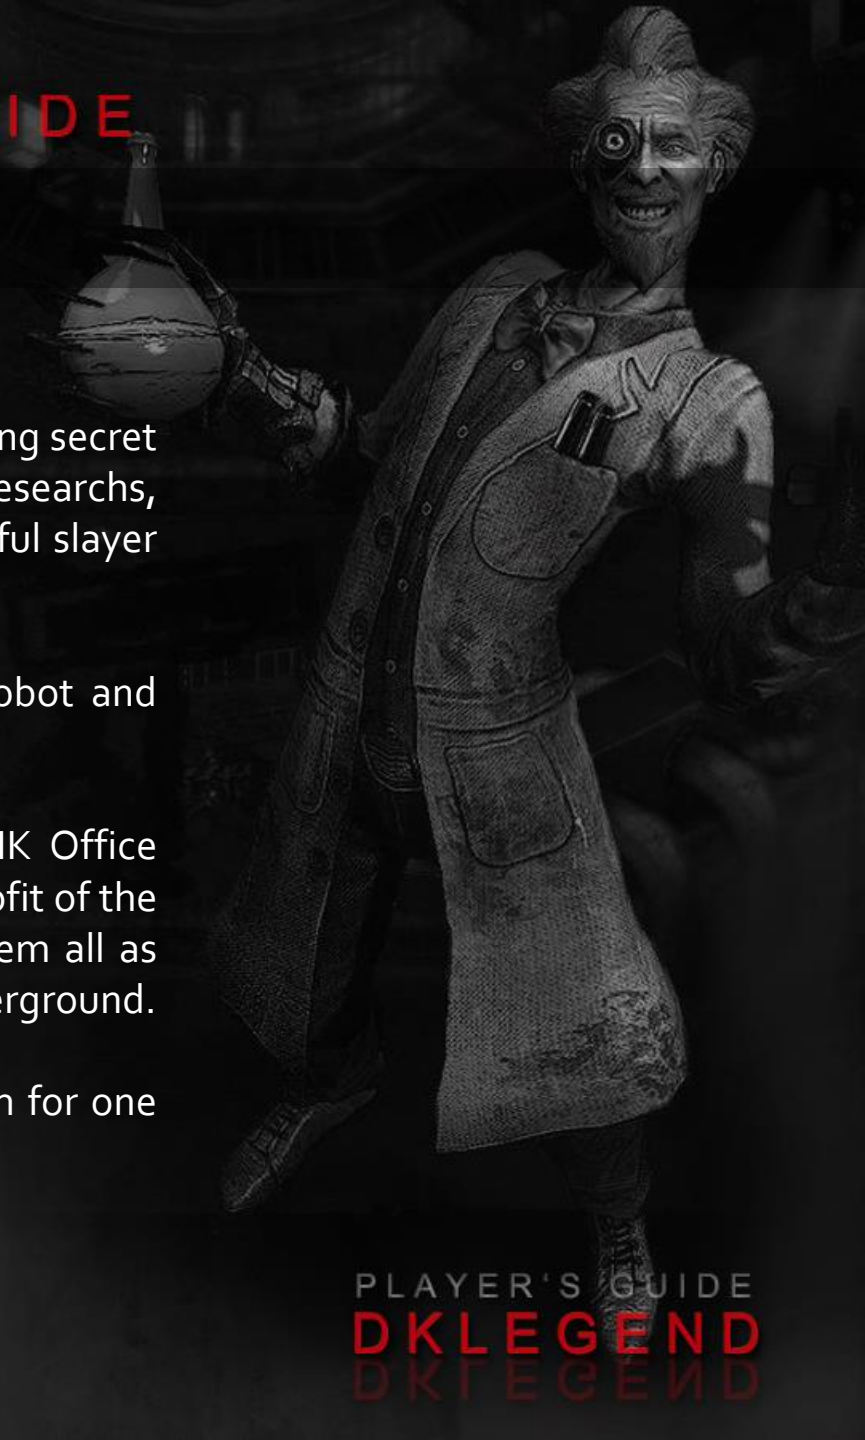

Scenarios

There was a time when E.V.E scientists were making secret tests somewhere inside IK Labs, after years of researchs, they finally succeeded to create the most powerful slayer in order to defeat the other races.

But unfortunately, Genesys, the new born half robot and half human, had another plan...

He killed all E.V.E leaders and scientists inside IK Office and Lab, some vampires masters tried to take profit of the situation to conquer the place but they killed them all as well and made his own Laboratory in IK Labs underground.

He is now trying to make more creatures like him for one single purpose:
Invade helea.
